**Subject:** Stepp Patcher Platform Option

Jim,

Three pictures of the patch trailer with the plate compactor platform attached.

1 shows it where it would stow if it had a compactor on it, 2 shows it in the lowered position and 3 shows it in the unloaded stowed position.

The option adds \$1,840 to the price.

Let me know if you want the option or if you want it removed.

Either way we can deliver this week or next.

Thanks,
