

1. Before I go anywhere, I always check with my parents of the person in charge. I tell them where I am going, how long I will be there, and when I will be back. I always leave a telephone number where I am going to be.
2. I ask permission from my parents or the person in charge before getting into a car or leaving with anyone, even if it is someone I know. If my plans change, I will let my parents or the person in charge know.
3. It is safer for me to be with other people when going places or playing outside. I will always use the "BUDDY SYSTEM".
4. I will always say "NO" if anyone tries to offer me drugs or if they try to touch me.
5. I will run away from them as fast as I can and tell a grown-up what happened.
