Lease Administration Department
PO Box 231
Salamanca, NY 14779

FR: _____ (Lessee(s))
_____ (Lessee(s) Address)
_____ (Lessee(s) Address)

Phone #: _____ (Requestor's Telephone Number)
To be used by Forester in case of questions

I/we as Lessee(s) are requesting authorization to remove/trim (number of trees) _____ from our leased property located at _____, in the City of Salamanca, New York 14779. The tree(s) are located in the front/back/side of the above address.

It is understood that the Seneca Nation of Indians is not responsible for any cost(s) and/or liability incurred with the issuance of a "Tree Removal Permit" and that any useable tree remains appropriate for firewood [does not include pine, fruit or ornamental tree(s)] shall be delivered to the Seneca Nation Department of Building located in the Jimersontown Relocation Area behind the GR Plummer Building.

Lessee's Signature Date: ___/___/___

Lessee's Signature Date: ___/___/___

NOTE TO LESSEE(S): Please mark the tree(s) that you would like our Forester to inspect. Your Tree Removal Request will be forwarded to the Forestry Department; an inspection of the tree(s) will take place by the SNI Forester. After the inspection by the Forester, a report from him to approve or deny the request will be issued to the Lease Administration Department who will mail out the approval or denied permit to the above listed residence.
